# **KOHLER**<sub>®</sub>

## 62" H sliding bath door with 5/16"-thick glass K-707002-L

#### Features

- Center-guided mechanism for smooth, quiet sliding action and easy cleaning
- Contemporary towel bar and knob combination offers storage on the outside of the door without encroaching on the bathing space
- CleanCoat®+ glass coating creates a hydrophobic barrier that repels water, soap scum, and residue, saving time and protecting shower doors 10 times longer than original CleanCoat. (Based on 2021 internal wear/abrasion testing using a microfiber cloth.)
- Tempered glass ensures enhanced safety and durability

#### Material

 Frameless, heavy 5/16" (8 mm) thick Crystal Clear tempered glass

#### Technology

- Frameless design with minimal metal allows for greater ease of cleaning
- Low bottom track creates easy entry and exit to the bathing space

#### Installation

- Out-of-plumb adjustability simplifies installation
- Sliding bath door
- Not for use in hospitality
